Primary Aim

What do I value most?

What kind of life do I want?

What do I want my life to look like, to feel like?

What do I wish to be?

How do I wish my life to be on a day-to-day basis?

What I like to be able to say I truly know in my life, about my life?

How would I like to be with other people in my life-my family, my friends, my business associates, my customers, my employees, my community?

How would I like people to think about me?

What would I like to be doing two years from now? Ten years? Twenty?
When my life comes to a close?

What specifically would I like to learn during my life-spiritually, physically, financially, technically, intellectually? About relationships?

How much money will I need to do the things I wish to do? By when will I need it?
